 - 🎧 Every applicant may submit works in a maximum of two categories, one piece each. A Corwin Award 1st prizewinner in a category the previous year is ineligible for an award in that category. Submission forms are available at <https://ucsb.box.com/v/CorwinAwards2019>
 - 🎧 For all except electronic submissions, each complete composition must be submitted in full score as a pdf on a properly labeled flash drive or in an e-mail, *not* on paper. *Please submit the filled form as a pdf file in the flash drive or e-mail. Do not upload materials for downloading.* Entrants retain all rights to their material.
 - 🎧 Sound files are requested as single mp3 files on a flash drive or if less than 8 MB by email. For electronic works, this is required; multichannel works must be supplied in stereo.
 - 🎧 Decisions of the judges are final. If the judges do not find an entry of merit in any of the five categories, an award will not be made in that category.
 - 🎧 Neither the Department of Music nor the grantor of the awards assumes any responsibility for the loss of any material submitted.

Deadline for submissions: 4 pm Wednesday, April 17 2019
